DAIRYLAND DARE PARTICIPANT GUIDE

Welcome to ride week! We are excited to finally be back in person with you this year! You'll find all the information you need for ride day in this guide and on our [website](#). On Saturday you will climb through the historic streets of Mineral Point and across the scenic countryside of Iowa County. This area of the state is characterized by steep, forested ridges, and deeply carved river valleys offering some of the most extreme hills in the Midwest! Are you ready for the challenge?

COURSE INFORMATION & UPDATES

Course maps, elevation information, and KML & GPX files are all located on our website. Click the link below to access them. Additionally, please familiarize yourself with the [ride rules](#).

- Keep your eyes on the road! Keep yourself on the route by following the map, turn by turn signs, and adhesive arrows on the road. SAG vehicles, medical support, and repair vans will be available roaming the course, and at aid stations. Bring extra tubes, CO2 and other spares to use when possible, as it may take some time for a mechanic to get to you.
- Staff will be monitoring the course. Stop any of them or a SAG wagon if you need assistance. In the event of a serious emergency, use your cell phone or get to the nearest house and call 911.
